HELLO

I'm Tom.

An UX/UI and Digital Designer. Based in Melbourne

Keen on creating visual contents and interaction design. I have a great deal of enthusiasm about applying design thinking to solve complex problems in creative ways, and adding extra values to products, services and organisations through human-centred design.

EDUCATION

2018-2019

Master of Design - Multimedia & Interaction Design

Monash University.
Melbourne VIC, Australia

2017

Graduate certificate of Design

University of New South Wales.
Sydney NSW, Australia

2009-2013

Bachelor of Bio-industry mechanical engineering

National Chung Hsing University.
Taichung, Taiwan

AVAILABILITY

I can work without restriction,
preferably full-time position
(Part-time, Freelance also welcome)
